MAYORS' CHRISTMAS MOTORCADE

In the state of Georgia there are several thousand citizens living in Georgia's seven regional mental health and retardation hospitals. Many of these patients have lived in these hospitals most of their lives and have little, if any, contact with or support from friends or family. Our city has started its gift collection campaign and we are asking for your help. The hospital clients are part of our community, drawn from a region, and we would like to encourage all of you to remember them this holiday season. There is a gift drop off box available in the lobby of City Hall. If your school, church, business or civic group would like to participate in an outstanding holiday community project, please contact Julia Stephenson at 770-537-2331 for further information on how you can get involved.

Let's not forget those less fortunate during the holiday season.
